

## Ruby's July 2022 Quarterly Newsletter

We are halfway through 2022 and it has already been a big year here at Ruby's Home for Good!

I am thrilled to share with you several areas of growth for our organization - accomplishments already achieved and much more yet to come. Be sure to check out our new website and follow us on social media for the latest updates.

**Our mission is to improve the quality of life for horses in need and promote mutually beneficial relationships between people and horses.**

I can confidently say that together we are making a difference. All of this is possible because of your continued support, participation and encouragement. From the bottom of my heart, THANK YOU!

Erin Malia, Founder & Program Director

### New Program Alert

Our **YOUTH HORSEMANSHIP PROGRAM** is a big hit this summer! Some participants are experiencing horses for the first time while others are expanding their knowledge. Kids learn to use the Horse Ready PACT - being **Patient, Aware, Calm and Thoughtful** - to create safe and positive connections with their equine partners. *Thank you* to our generous donors who ensure that every child who is interested is able to participate. Later this month we will also welcome Family Promise of Montgomery County for a special day with the horses.

We look forward to continuing our youth activities this fall. If you know of a family or group that would like to participate, please send them our way.

### Welcome, Arabella!

This beautiful 7-year-old mare recently joined our herd and won instant adoration from program participants. Arabella is engaging, curious, and loves attention. She brings a feeling of peace and awe to those around her while encouraging students to grow their horsemanship skills.

### Veterans and Horses

We continue to offer our **VETERANS HORSEMANSHIP PROGRAM** to current and former service members, their family and loved ones. Each participant affirms what we know to be true - spending time in nature, with horses and one another is good for our hearts, our minds and our bodies. We are grateful to be able to give back to those who have given so much for all of us. Participation is always free of charge.
